Hi TSC Members!

WOW, another month closer to cold weather, snow & our ski season! Are you getting ready? We are deep into the details for all of our trips & events of the season! Notice the fliers in this newsletter with what we have come up with. Stay tuned for more details for our "Ski with a Heart On" day at Kissing Bridge on Sunday Feb 14. There are great aspects about all of our trips, so we are sure there will be at least one of them that will appeal to you! I can say, that I think we have everything offered that you suggested by survey or conversation. We have "ski in-ski out" accommodations, we have more weekend trips, we have great value, we have new areas, we have it all!!! We hope you will be able to enjoy!

Looking back, last year I was writing to you about our goal of a name change, a new Constitution, Non-profit status & liability protection. Boy, we had a busy year! We accomplished all but the non-profit status which we are pursuing now under the leadership of Eileen Wile. All of the work that was done last year & this summer had to be done before this final step. It has been a long process, but it will be well worth the effort! As part of the effort, the "Membership Application" & "Trip Application and Agreement" have been revised & are to be used this year. If you have sent an old version with your dues, you will be asked to resubmit the correct form. The forms are more robust for the liability protection of the club & its members. You will also notice a new fee structure for renewing vs new members. Please notice, if you do not renew by Oct 31st, you will be required to pay the "New" member prices.....no exceptions. As you know, we went electronic with the newsletter this past January. On the membership form, you also have the option to get a paper copy mailed to you for an additional fee to cover paper & postage.

At the time of the writing, we have one more Monday night bike ride & then we will move to weekend rides. We had good turnouts all summer! Higher averages of riders but we had ugly weather more than we would have liked. We still look forward to doing the train ride in Peninsula. Every time we plan to do it, it rains, we have a horrible weather forecast or believe it or not, the train is involved in an accident! Of course, we are flexible, so we just rode our bikes in a different direction than planned. Hopefully, we'll still get to do it. It is always a great time! Hopefully we will get to do some hiking this fall also. We did some new, cool things this summer.... Friday night golf (led by Zee Kovach), "Zip Line" in Hocking Hills (led by Dwight Kline), an overnight bike trip staying in Train Caboose's (led by Karen & Rich Marks). If you didn't participate....you missed out on a lot of fun!

Notice dates in the newsletter for events. Come & join in! **The first meeting is Tuesday - Sept 15!** I will say from experience, it is a lot more fun when you get to know a few folks & participate in different functions. We are so much more than just a ski club!

Here are just a few ways to get involved:

- Be Social director - Co-ordinate just 1 social event or gathering each month
- Come to the Wine Tasting at the Kovach's
- Help at BMBW Open House
- Help at our Open House in Oct or Golf on the day of our Open House
- Come to the Queen's Pageant
- Volunteer to be a 1 Day Trip Leader

Let me know if you are willing to help!

Donna

CMSC Delegate Report:

August 30, 2009

On August 6th, CMSC held their Summer Picnic, featuring “Meet the Ski Queens”, and held our regular monthly meeting. CMSC officers and friends did the grilling for delegates, club officers, and the queen candidates. We all brought something good to eat to share with our fellow delegates. As usual, there was plenty of good home-made food. After the social hour and dinner, the Queen candidates were introduced and photographed for the Sitzmark. At this point, there are 8 queen candidates. The Queen’s Pageant will be on November 7th at the Ampol Hall on Pearl Road in Parma. The party starts at 6 Pm and will run until the DJ gets tired of us. Jani Middleton will have tickets to sell so that all of Timken Ski Club can fill the hall to cheer her on.

After the guest introductions, each club delegate had an opportunity to introduce those who attended from their club and to tell about the upcoming season’s plans. Club trips were outlined by the delegates and flyers were available to spread the word on specific trips.

CMSC trips this year are:

Aspen/Snowmass, Feb. 6-12; at \$1159

Taos, March 20-26; at \$584 LAND ONLY package.

This is a “get your own air” price. CMSC will continue to check air rates to see whether rates change to make a ‘air’ offering at a later date. Right now, prices are cheaper for individuals.

Gail Vogt spoke to the assembly regarding a “Ski with a heart on” promotion on February 14th at Kissing Bridge. The idea is to get as many clubs to participate in a great fun day at the Bridge. Several clubs already expressed an interest in joining TSC for that weekend.

The meeting ended with Donna and Gail both winning door prizes. They both handed them to me to be used as I see fit. I guess I will have to share them with the club!

Respectfully, Jim Kovach

Timken Ski Club***The Queen’s Corner*****August 30, 2009**

Hi Everyone!

I’m Jani Middleton your TSC Queen candidate for the CMSC 2009 Queen’s Pageant. I’m calling this the Queen’s Corner. I’ll try to keep you all posted on what I’ve been doing and what’s coming up as your queen representative. I have my application and bio written, photo has been taken and have sent all of that in this weekend. So, I’m officially registered and entered in the pageant!

I attended the CMSC summer picnic which was held at the Metro Parks. Jim Kovach, Donna Brancifort, Gail Vogt and Jen Stephan, along with my escort Toni, were there from our club. I met many of the other queens and the CMSC Queen’s Pageant Committee. There was tons of great food to share and everyone had fun and lots of laughs. There are a lot of very nice people in the CMSC.

I started bicycling with the club. We rode part of the Tow Path on Monday, August 17th. I think Ida and I were the only ones the rain cloud found that evening! The cheeseburgers are really good at the Tow Path Cabin! The Cabin was very busy so some of our group decided to eat elsewhere. August 24th I rode with the club, though I’m not sure where we were riding it didn’t matter. The scenery and evening ride was beautiful.

I will be at the Sept 15th club meeting and at the Kovach wine tasting on Saturday, Sept. 19th. I will have CMSC Queen Pageant tickets for sale. Pre-event price is \$25.00; at the door will be \$30.00. The pageant is November 7th (for sure) at the Ampol Hall in Parma. I hope all of you will come out to support me and the Timken Ski Club. It will be great fun you won’t want to miss out on.

Take care, Jani

We will have ‘coach’ seats from Alliance to Chicago. We will all be sitting in the same car, in the same general area. Amtrak will have us ‘grouped’. Seats have plenty of room and recline. From Chicago to Fraser, we will all have 2 person Roomettes. Amenities include: large windows, reclining seats facing each other, table in between, towels, bottled water, and a small amount of storage. A boot bag is as big as you can go. There is a closet for coat storage. About 4-5 hours out of Chicago, you will be called for dinner. Your meals are included in your roomette package. There is a Dining Car a short ways from our cabins. While at dinner, the porter will fold the seats into a lower and upper berth. Pillows and sheets are included. The next morning, you will be called to breakfast. While you are at breakfast, the porter will make up your cabin for daytime. The food is good and you can choose from several offerings at each meal. On the return trip, you will get dinner, breakfast and lunch before we get to Chicago.

There is an Observation Car with lots of windows and seats to allow panoramic views. There is a snack bar and alcohol bar on the lower level of the Observation Car. You can walk all that you want to from one end of the train to the other. In our Sleeper Car, there is a restroom on the same level as our cabins. On the lower level there are several restrooms and shower rooms. These are 1st come, 1st served.

There is some luggage storage on the lower level. Most big baggage will be accessed from outside doors on the train cars. These are not accessible until disembarking from the train in Fraser. Whatever medications you need, you must have them with you in your cabin. Skis will be stowed from the exterior of the train. The train will stop at many stations along the way to Fraser. You will see the countryside! We will climb the Continental Divide and pass through many tunnels on our way. Note: Freight trains have the right-of-way. We may stop just to let them pass. Bring a book; bring a game. We will be meeting in the “O” car frequently to converse. It is a leisurely trip that relaxes not stresses the traveler. Arrive fresh after a full night’s sleep! Take the train to Winter Park!

*If you don’t want to schlup your skis or boards, I’m arranging with our hotel ski shop for demo’s at a good rate. It just might make it even more pleasurable.
