Hi Members,

My apologies for the Newsletter being a little late – I was in Florida for Christmas and the New Year holidays, and just returned on the 3rd. I took my notes and had good intentions of putting it together while I was relaxing. But my sister and friend had other plans for my time – so the relax part just didn't happen till my head hit the pillow at night. One of my favorite stops is Bill Jackson's in Pinellas Park, FL – great place if you get to that area. This place sells every type of sporting equipment and clothing. They also have a place to try out the equipment too – a ski hill (carpet), pool for kayak or scuba, driving range, and shooting. Two ladies dropping off their equipment were teasing me about trying on ski coats and gloves in shorts. Of course the where do you live and ski exchange went on, and we each talked about our club trips for this year and other activities both clubs take on. They invited me to attend any of their club functions when I was back in the area, and I assured them that I would take them up on the offer. These two ladies were from the Tampa Bay Ski and Snowboarders Club.

CMSC Notes: Bert Fischer – if any of you have attended a CMSC function – you have met Bert – he is the one that leads the "Let's go Skiing Along Together" song to kick off every event. Bert has been in Cleveland Clinic for heart procedures. He is on his way home, but has a long recovery a head of him. Please keep him in your thoughts and prayers. I have his home address if you would like to send a card.

2012 Ohio Winter Games for Special Olympics – Feb 1 – 2 – this is the 30th year for the winter games in Ohio. They need volunteers, so if you're interested in helping out for the day or both – call 216-524-1497 ext 225. Times are roughly 9am to 3pm. For more details check out: www.soooh.org

Thanks to everyone that attended the December meeting. Donna Smith is proving that buying more increases your odds of winning. Donna won the 50/50 for the 2nd month, but she does buy a lot of tickets – which helps the club and obviously her odds too. We talked about taking part in The Toys for Tots drive next year. Mike Lockhart spoke with me after the meeting, and said if we attempt this – it will have to be held during the November meeting or party. Mike is a reserve member, and he explained that during the middle of December they are passing out the toys.

The trip reports are looking good – the first one day trip is sold out, and the others have a fair number of sign ups. **We do need people for the overnight trips still** – Bristol/Holiday Valley, and the Holiday Valley/ HoliMont trip. The applications for Ski with a Heart On are slowing coming in - we really want to top last year – so join us that day. Still big push to get those people who haven't paid their club dues yet – if you have not renewed – your name will be taken off the e-mail list.

I really hope we beat last year's blood drive numbers, and maybe with my typing error – it encouraged more of you ladies to stop by and donate. I did give the original note to the nurse on duty, and she got a chuckle from it and posted it in their office.

Donna did some checking, and the Warrior Dash will be held at Clay's Park Resort in Canal Fulton – Aug 25th this year. If we can get a group of 25 to volunteer to work at the various stations, they will give our club \$1,000.00 – more bucks to use for door prizes. The volunteers all receive tee shirts, admission to the music events held that day, and they feed you. You would need to commit yourself to being there early for set up and finish which ever area you would be assigned to. Think about it – it is a way to get out club's name out there with some active people. Please let me know your thoughts on this.

TSC Parking @ Faircrest

The Faircrest steel plant is constantly evolving in the innovation of steel production, and now we are expanding. Along with this plant expansion our contractors numbers have also expanded so we have to adjust the TSC parking. We would like the TSC to park within the noted area only. This is in the same general location as before, but just a little more West & more compact.
